Barlow's Indigo Blue

THE TRIED AND TRUE
WASH BLUE OF AMERICA

IT IS over fifty years since this article was discovered and introduced to the public for blueing clothes. Many attempts have been made to imitate it, but none have succeeded to equal it in quality. It is the purest and strongest, will not spot or streak the clothes, nor injure the finest fabric. Few articles have the endorsement of the public for half a century unless the quality merits it. This endorsement Barlow's Indigo Blue has well earned, making it the standard blueing throughout the country.

Trade Mark is registered and we caution the trade against handling goods imitating style and appearance

FOREWORD

The ALMANAC AND YEAR BOOK, which is welcomed in more households of the Reformed Church than any other permanent publication of the denomination, seeks to provide in the briefest possible form an account of events and statistics that will be of most service in the families of the Church. The rapid passing of the years brings to us now the duty of providing a resume of the important facts in our denominational life in the year 1920. In the 1919 Almanac we had "the accent of Christian patriotism," in view of the close of the World War. In the 1920 Almanac our Forward Movement naturally had the right of way. In this 1921 Year Book it is proper that the meeting of our highest ecclesiastical judicatory, held at Reading, Pa., in May, 1920, should be central.

The Synod of 1920 was properly called the "Victory Synod," in view of the justifiable rejoicing over the large measure of success which attended the work of the Forward Movement in the Reformed Church. Even more important than the raising of the largest sum of money in the history of our denomination has been the new spirit stirring in the hearts of our people and finding its expression in the gratifying increase in the number of personal workers, the inspiring fellowship of intercession and stewardship, the restoration of family altars, and the growing ranks of active laymen and women who are ready to speak and can be counted on to work in the interests of the Kingdom. It was natural that the triennial session of the General Synod should have been imbued with this spirit of a new and higher unity in our denominational life, and the encouraging aggressiveness among pastors and people which resulted from the achievements of the past year. Although a large proportion of our congregations have not as yet completed the financial canvass, there can be no doubt that the Forward Movement has been *the most successful cooperative effort in our denominational history*. Not only did the Synod take a forward-looking attitude toward the work of our own Church, but by its enthusiastic support of the Interchurch World Movement and its ungrudging approval of every promising attempt to unify a divided Protestantism, maintained the finest traditions of the fraternal and tolerant position of our denomination.

Meeting at the same time as our General Synod and in the same city, the Woman's Missionary Society demonstrated anew the potent influence which this splendid organization is now exerting upon the life of our Church. We owe a great debt of gratitude

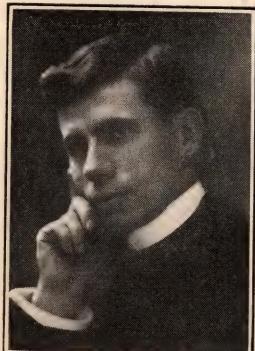

to our Christian womanhood, and their organized activities are constantly growing in usefulness. It would be difficult to measure the value of their great work, the recognition of which is growing constantly in the hearts of our people.

Another event of importance in 1920 was the publication of the new *Reformed Church Hymnal*, which has been hailed with much joy and is unanimously pronounced a great success. The first edition was soon sold, and the second edition was published early in the fall. Many encomiums on the high character of this book and the great advantages derived from the use of the splendid compilation of Responsive Readings make its publication an event of much importance. It is a matter of considerable satisfaction that the Reformed Church in America is using the same book and that, therefore, the congregations in the sister Reformed Churches will come closer to each other in spirit than ever before through the use of this Hymnal which was compiled by a joint committee. The members of the committee from our denomination were James I. Good, Ambrose M. Schmidt, Henry C. Nott, E. P. Skyles, J. H. Rettig, Joseph H. Apple, and Emory L. Coblenz.

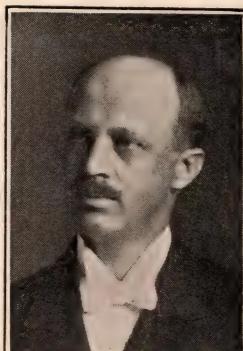

The losses by death, in the ranks of honored ministers and useful members, have been very great. Especially distressing was the murder of one of our best beloved missionaries, Rev. William A. Reimert, of Yochow, China. The Nestor of our clergy, Rev. Peter C. Prugh, D.D., also passed away at his home in California.

The past year has been, by many, termed a year of reaction. In the social and political world there have been many perplexities and forebodings, and not a few circumstances have been hostile to the work of the Church of God. In the year of a Presidential campaign many interests of our people are particularly distracted, and religious work thereby made more difficult. In the face of all these hindrances we feel that the Reformed Church has much reason to thank God and take courage. In addition to the larger support of our work, our people have given generously to all good causes. The gifts of our Churches and Sunday Schools for Near East Relief have far exceeded those of any previous year, and the cause of the orphan in our own admirable Orphans' Homes as well as in far-off Armenia is very dear to our people. We are by no means satisfied with what we have done, but we believe that the spirit manifested during the year augurs well for a deeper consecration, a sincerer enthusiasm, and a mightier coöperation in the days ahead.

THE FORWARD MOVEMENT

The Year 1920 Marks a Great Step Forward in the Reformed Church in the United States

The Year of our Lord, 1920, will go down in the history of our denomination, and in the history of most of our congregations, as one of unprecedented progress. The year opened with the program of the Forward Movement in full operation in most of the congregations. The old year had seen this great Movement take definite form. The Commission appointed by the General Synod to lead the Church in carrying out its high resolves made at the special meeting at Altoona, Pa., March 4-6, 1919, had elaborated its plans. The Secretarial Staff had been six months at work. Under the direction of the Field Work Department the members of this body had journeyed through the Church, holding conferences for the training of workers. Eleven Central Conferences were held, in which the Executive Secretary and the Departmental Heads met with leading pastors to acquaint the latter with the objectives and methods that had been determined upon after months of study and discussion. These pastors, in turn, assisted the Staff in holding more than seventy Sectional Conferences in which the same training was brought to the rank and file of the ministerial and lay forces of the Church.

TRAINED LEADERS

Thus, ere the New Year had come, many hundreds of workers in all parts of the Church had become qualified as leaders in the Forward Movement. Meanwhile, an elaborate program of education had been projected through the use of printed matter. The Forward Movement Bulletin, started in September, 1919, and issued every two weeks, had already found its way into practically every home in the Reformed Church. Numerous pamphlets and circulars had likewise borne the Forward Movement message to the people.

SPIRITUAL AIMS

Prominent in this message was the appeal of the departments of Spiritual Resources and Stewardship. The Department of Spiritual Resources had thrown the weight of its energy and influence back of the efforts of the congregations to get their work started in September. It proposed an "Every Member Communion," which brought an exceptionally large attendance to the altars of the Church for the Fall Communion. The Program of the Forward Movement also brought about the institution of the Fellowship

of Intercession in which the spiritual resources of the Church should be cultivated through intercession. This Department also stirred up much interest in young people's work and gave the Forward Movement a place of prominence in the observance of the annual Young People's Day.

The Department of Stewardship made its program known to all pastors early in the Fall, presenting each with a copy of the volume entitled "Money, the Acid Test" by David McConaughy, and enjoining all to organize for the study of this book. At the same time cards were sent to all congregations, on request from the latter, for enrolling members in the Fellowship of Stewardship. This was a challenge to enter into a covenant to share one's income with the Lord by giving some definite proportion of the same for the support of religious and charitable work.

Thus, by the time 1920 was ushered in, the Reformed Church was well under way in her great Forward Movement. At New Year, the Winter Program was issued. This provided for congregational activities quite in line with the normal church work of the winter season and provided, in addition, the features of local Church enterprise which were now coming to be characteristic of the Forward Movement.

THE CHURCH AT PRAYER

Under the direction of Dr. Edward S. Bromer, Secretary, the Department of Spiritual Resources extended the enrollment in the Fellowship of Intercession, bringing upwards of 20,000 men and women into a Church-wide league for common communion and intercession before the great Head of the Church. Direction and singleness of purpose was given to this appeal to the Throne of Grace by distributing to the members of the Fellowship occasional communications setting forth the problems before the churches and specifying special objects of prayer. In this connection great stimulation was given religion in the home by providing prayers for the Family Altar. During the Lenten Season a Personal Prayer Card was issued and for this there was a wonderful demand from all parts of the Church.

The Department of Spiritual Resources also extended its influence into the activities of the Woman's Missionary Society, providing the members of the Society with specially prepared Forward Movement literature

and instilling a fresh vitality into its great and growing work for the Kingdom.

SOUL WINNING

A special Evangelistic Campaign with a definite program leading up to Easter and then from Easter to Pentecost was planned early and its outlines submitted to the pastors for their guidance. A series of topics suitable for church or cottage prayer meetings was issued to guide the devotional life of the congregations. With a view to giving direction and system to the work of soul winning the "Win One Legion" was instituted. Almost 80,000 copies of the leaflet and card employed in this work were distributed in response to requests from pastors.

Pursuant to the action of the General Synod directing the Forward Movement to head up an energetic evangelistic campaign in the Fall and Winter of 1920-21, and the further action of the Synod asking the Board of Home Missions to enlarge its Committee on Evangelism, a program promising great activity in the building up of the congregational life and of winning new members to Christ was given to the Church in mid-summer, thus enabling pastors and Forward Movement Committees to make their plans early. In this work the Secretary of the Department has the coöperation of the Commission on Evangelism of the Home Mission Board, which for the present year has identified itself with the Forward Movement.

STEWARDS IN GOD'S KINGDOM

The Stewardship Department, under the direction of Dr. Wm. E. Lampe as Secretary, pressed forward into the New Year with unabated energy. At the same time the Church was bending the knee in intercession, it was learning anew the great lessons of God's Word with reference to the sacredness of life and possessions. The appeal of this Department reached a climax in the month of February, Sunday, the 22nd day of this month, having been designated Stewardship Acknowledgment Day by many denominations throughout the nation.

A wealth of literature in the form of booklets and tracts was provided. Although this material was sent only on request, from 50,000 to 80,000 copies of the various pieces of literature were sent out. Seventy-two per cent. of the congregations participated in the stewardship campaign and fifty-nine per cent. did practically everything that was suggested in the program. In thirty-eight per cent. of the vacant charges, the stewardship program was carried through by secretaries of consistories and other lay workers.

The first year of the Forward Movement brought the whole subject of responsibility for life and possessions before the Church for thought and definite decision as never before. In the second year the campaign is being continued with the study of the little volume entitled "The New Christian" by Ralph K. Cushman, a copy of which has already been presented to every pastor, constituting the basis of further education in this important feature of the Church's program.

LIFE SERVICE

It was found on close study of the Church's needs that 259 workers, in addition to those which might normally enlist, would be needed to carry out the Forward Movement program of enlarged activity during the next five years. This appeal was presented to the youth of the Church in sermons, public addresses and literature. Under the auspices of the Life Service Department of the Interchurch World Movement, three-day conferences were conducted by recognized leaders in the colleges of our Church. On the teams conducting these conferences were representatives of the Reformed Church. The Faculties of the institutions coöperated heartily, allowing the sessions to supplant the hours of the regular class work, and joining in the work of the conferences. These meetings with the college students were of undoubted benefit to the latter and will result in great good to the Church. The Department of Stewardship and Life Service contemplates a continuation of such Life Work conferences and institutes during the coming year.

EDUCATING THE CHURCH

The Department of Education and Publicity brought out early in the year the Forward Movement Handbook, edited by Dr. George L. Omwake, Secretary of the Department. During the months of February, March and April this book was studied in hundreds of congregations, the orders from individual congregations ranging from five to five hundred and fifty copies. In many instances enough copies were purchased to supply one to each home in the congregation. The demand was greater than could be supplied, although four editions were gotten out in quick succession, yielding in all 30,000 copies. Five thousand copies were in a splendid German edition, edited by Dr. Adolph Krampe.

The Bulletin, with its immense circulation, totaling 135,000, and going into practically every home in the Church, performed a fine service in informing and stimulating the membership of the Church with reference to all features of the Forward Movement

program. An illustrated edition of 20 pages, issued in March, presented graphically the needs of the Church. This was supplemented by a generous distribution of folders and leaflets bearing on particular topics.

To every pastor in the denomination was sent a series of thirteen handsome text posters which bore the challenge of the Forward Movement into church auditoriums and Sunday School rooms before the eyes of the people, they silently but forcefully proclaimed the appeal of the new day.

A striking emblem, presenting in its design the banner of the cross, became the outstanding symbol in the Reformed Church for the year. It was used by many local churches in their printed matter, in 200,000 artistic labels, it spoke the Forward Movement message from the stationery of thousands of letter writers, and on 35,000 buttons it adorned the coats of as many Forward Movement workers throughout the Church.

PREPARING FOR ACTION

The Field Work Department, under Secretary Edwin M. Hartman's direction, following the Central and Sectional Conferences of the Fall of 1919, took up the important task of organizing the Church for carrying out the program of the Forward Movement. This organization extended down through the Classes to the several congregations. The plan called for a Forward Movement chairman and committee in each congregation. Reports showed that almost immediately more than sixty per cent. of the congregations made ready in this way, and the work of organizing has gone on steadily even in congregations without a pastor. During the first two months of 1920 nearly all the Classes met in special session to take account of the progress being made within their bounds.

MINUTE MEN AND HERALDS

While this work was being conducted in the field under the supervision of the Regional Secretaries, Rev. Wm. F. DeLong in the East, Rev. George W. Good in the Central Region, and Rev. Louis D. Benner in the West, several bureaus of special service were being set up at Headquarters. The Bureau of Minute Men was organized and placed in charge of Rev. Daniel Burghalter, D.D., who had just returned from the Far East. Dr. Burghalter soon left, however, to serve as a Forward Movement Herald in the western part of the Church, and the Bureau was conducted thenceforth by Dr. Edw. S. Bromer, under whom more than 2500 laymen enrolled for speaking in the churches. A Speakers' Bureau for enrolling and assigning speakers at church services, conferences, ban-

quets, etc., was conducted by the Rev. James M. Mullan. Some 50 men—officers of boards, editors, seminary and college professors, pastors and laymen—all "heralds" of the Forward Movement, rendered valuable service under this Bureau. This work of informing and training for service came to a climax in two great laymen's conventions held at Reading, April 6 and 7 and at Dayton, April 8 and 9.

The Bureau of Statistics and Lantern Slides under Rev. Milton Whitener reduced the facts of the surveys to charts, graphs and pictures. Of these, one dozen sets of slides were made and a number of stereopticons provided by which the message of the Forward Movement could be presented to the eye as well as to the ear of the Church. The lantern lecture has proved to be an effective way of quickly informing a congregation of the purposes and methods of the Movement.

AMASSING THE MEANS

On January 23, the Commission began making preparations for the Financial Campaign by appointing Edwin M. Hartman Campaign Director. For this work the Field Work Organization was strongly augmented by a staff of Financial Campaign Directors made up mostly of active laymen in the several states' counties and congregations. Throughout the year, a Finance Committee, Emory L. Coblenz, Esq., Chairman, had been making a study of ways and means. This Committee had prepared under the supervision of the Rev. Jacob G. Rupp, lists of preliminary givers whose larger gifts might be solicited in advance with a view to making the Campaign an assured success.

SURVEY AND BUDGET

A Survey Committee, headed by Rev. Charles E. Schaeffer, D.D., which had made extended studies of the situation in the several branches of Church work, reported on January 23 that the Budget for a five-year program would have to be no less than \$10,847,425. This the Campaign Director immediately set out to raise. A simultaneous every-member canvass was announced for April 25 to May 2. After much laborious work, equitable quotas were assigned to the many congregations of the Church.

UNPRECEDENTED SUCCESS

Many congregations found it impracticable to participate at the time appointed, but the greater part of the Church entered resolutely into the undertaking, and as a result over \$6,044,000 was subscribed within the limits of one week, although, with many, the canvasses were incomplete. For these, and for the

many congregations who waited for a better season, a second campaign week was set for the Fall, the dates being November 14-21. At the time this account is written (August 15) a thorough cultivation of the Church is being made. Assurances are given that ere the five-year period is up, the entire Budget, and more, will be subscribed.

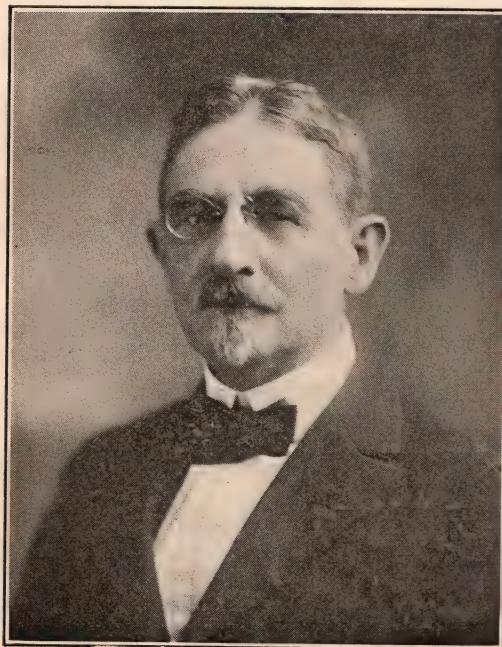

THE SPIRITUAL HARVEST

In all the vast enterprise, wise guidance and sane direction was given at every point, and, in all parts, by the Executive Secretary, Dr. Joseph H. Apple. At

the beginning of the Movement, Dr. Apple instituted a noon-day prayer period which never ceased to be observed at Headquarters and in the field. The spiritual significance of the Forward Movement has been deeply felt throughout, and we stand at the beginning of 1921 an awakened Church, humble but confident of God's gracious favor. The Forward Movement of 1919 and 1920 has started a *movement forward* for 1921 which we devoutly pray will bring, in this new Year of our Lord, an unprecedented spiritual harvest.

REV. CYRUS J. MUSSER, D.D.

We are happy to present the portrait of one who was for many years the editor of the REFORMED CHURCH ALMANAC, but in a spirit of self-effacement, saw to it that his own picture rarely, if ever, appeared as long as he was actively connected with the publication. The entire Church rejoices in the restoration to health of this enthusiastic and devoted son of our Reformed Zion. He bore his long and tedious illness with the grace and patience of a true Christian gentleman, and we cannot but feel that it was Providential that he could come back to be so whole-heartedly

REV. CYRUS J. MUSSER, D.D.

linked to the work of our Forward Movement. No task is too difficult for Dr. Musser to attempt, and he throws himself into every duty with characteristic abandon. His prophetic vision and statesmanlike grasp of salient issues have made him a truly constructive factor in the development of our Church's life, and we pray that he may be spared for many years of increasing usefulness.

A MORNING PRAYER

My Father in Heaven, I thank Thee for Thy kind watch-care during the night's defenseless hours. Help me to face the day with gladness and eagerness to do Thy holy will. Open my eyes that I may see in this new day a new opportunity to glorify Thee and to serve Thy Kingdom. May I count every day as lost in which I fail to minister to my Father's other children, especially those in direst need. Deliver me in time of temptation and keep me from stain of sin. Bless all my dear ones, my Church my pastor, and all Thy people throughout the world, and make them all a blessing to others. Vouchsafe to me such sweet communion with Thyself that when the evening shadows come my heart can say, I have walked with God today. Amen.

AN EVENING PRAYER

I thank Thee, my Father in Heaven, for the many mercies of this day. I confess that I have come far short of Thy glory. Mercifully forgive every unworthy thought, every unclean word, every unkind deed. Pardon all my sins of omission. Enable me every day to live more like Jesus. I commend myself, and all that are near and dear to me, to Thy most gracious keeping. Bring me, and all Thy beloved, to the light and joy of the morning. In the name of Him Who loved me and gave Himself for me. Amen.

THE UNITED MISSIONARY AND STEWARDSHIP COMMITTEE

The work done by the United Missionary and Stewardship Committee in past years has shown very satisfactory results during the last year. The principles advocated by the Committee have been put into operation in practically the entire Reformed Church. The Every-Member Canvass has been made in 670 of our 1075 charges. The number of congregations that have made the canvass is, of course, much larger. In the five English Synods 75% of all the charges made the canvass, while in the four German Synods only 25%. It is a very interesting fact that the congregations which pay the Apportionment in full are, with very few exceptions, those which make the Every-Member Canvass and use the weekly offering system.

The value of the Congregational Missionary and Stewardship Committee is now more clearly recognized. The Classical Missionary and Stewardship Committees are far more active than ever before. These Committees are doing a wonderful piece of work and deserve the heartiest support of the entire denomination. There are Committees in every Classis of the Church except one Classis in Southwest Synod and a few Classes in Northwest Synod. There is such a fine degree of unity and harmony in the coöperation of these Classical Committees with each other, and the Committee of the General Synod, that there is cause for great encouragement in all our work. Special meetings were held by the majority of the Classes, to hear and discuss the reports of the Classical Committees, and to take steps to secure the full Apportionment.

For a number of years we have had Congregational Missionary and Stewardship Committees in most of our efficient congregations. The next most important step is to have *every* congregation appoint its Committee and assign to it the work that properly belongs to it. Only then will it be possible to reach the *last* member, and we will be able to make the progress in our Missionary and Benevolent work for which we have long hoped and prayed.

Our denomination made a magnificent record this last year in the payment of the Apportionment. In fact it was the *best year* in the history of the Church, an increase of nearly \$50,000 on the Apportionment for Home and Foreign Missions. There has been a net increase during the last three years of more than 80%.

Three Synods—Ohio, Pittsburgh and Interior—paid the Apportionment in full, or nearly so, the past year. Two more will most likely pay in full the present year. The four German Synods are making very good progress. Eleven Classes have “gone over the top” with 100% or more, and 11 other Classes have paid between 89% and 100%.

The Apportionment for the present triennium remains the same, 80 cents per member for Home Missions, 80 cents for Foreign Missions, 15 cents for Ministerial Relief, and 10 cents for Publication and Sunday School work. All congregations should make every effort to pay the Apportionment in full this year.

When the Forward Movement Commission was organized the promotion of Stewardship of Life and Possessions became one of its chief features, and the United Missionary and Stewardship Committee was requested to assign its Secretary as head of the Department of Stewardship of Life and Possessions.

The number of congregations in our Reformed Church which have reached the goal “As Much for Others as for Ourselves” has rapidly grown. In 1914 there were only six such congregations. In 1915 there were 22 congregations, and in 1916 there were 28. In 1917, 46 congregations had attained this high standard, and in 1918 there were 64. During the Classical year which ended in May, 1919, there were 121 congregations giving “More for Others than for Themselves.”

Members and Officers of the Committee

The following seven members of the Committee—three ministers and four elders—were chosen by the General Synod of 1920: Mr. William W. Anspach, Rev. J. M. G. Darms, D.D., Mr. William H. Dechant, Rev. Louis C. Hessert, Rev. J. O. Reagle, D.D., Mr. F. von Tacky and Mr. Milton Warner.

In accordance with the instructions of the General Synod, the other members of the Committee were chosen as follows:

By the Board of Home Missions, Rev. Charles E. Schaeffer, D.D., and Emory L. Coblenz, Esq.; by the Board of Foreign Missions, Rev. Allen R. Bartholomew, D.D., and Mr. F. M. Berkemeyer; Rev. William E. Lampe, Ph.D., by the Laymen’s Missionary Movement; Rev. J. W. Meminger, D.D., by the Board of Ministerial Relief; and Rev. Rufus W. Miller, D.D., by the Publication and Sunday School Board.

Avaling itself of the permission given by the General Synod, the Committee elected the following coöperating members: Mrs. L. L. Anewalt, Miss Carrie M. Kerschner, Mrs. B. B. Krammes, Rev. George W. Richards, D.D., and Rev. J. Rauch Stein.

The Committee met after the meeting of General Synod and organized for the triennium by electing Mr. William W. Anspach, Chairman; Rev. J. M. G. Darms, D.D., Vice Chairman; Rev. William E. Lampe, Ph.D., Secretary; and Mr. Milton Warner, Treasurer.

HOME MISSIONS

The Board of Home Missions consists of twelve members elected by the General Synod, representing the different sections of the Reformed Church. Its work is nation-wide. It touches many phases of life and activity. The new conditions in America have wrought a change in the character of the work of Home Missions. Home Missions are an effort on the part of the Church to care adequately for the Christianizing of the Homeland. When the country was young this work partook more or less of the pioneer character. The modern social, industrial, as well as national conditions necessitate a change in the Home Mission program.

The Board is helping in the support of 160 Missions. It also assists the Missions in the erection of Church buildings and in securing suitable parsonages for the Missionaries. The support of the Missions is pro-

vided for by the apportionment, and the erection of church buildings and parsonages from the Church-building Fund. The Board now controls 716 Church-building Funds.

The work among foreign-speaking peoples in America constitutes a large and important phase of Home Missionary effort. The Reformed Church is working among the following nationalities: Hungarian, Bohemian, Japanese, Italian, Jewish, Colored, Indian. The work among the Italians was started in Chicago during the past summer. A Hospice has been provided in New York City for the comfort and convenience of persons going to and coming from Europe. This is meeting a long-felt need in the Reformed Church. It is located at 107 East 34th Street, and is in charge of the Harbor Missionary, Dr. Paul H. Land.

TRINITY CHURCH, DETROIT, MICH.

The Board is employing a number of Deaconesses in its work, particularly among foreign-speaking people. Such Deaconesses are at present at work in the Hungarian Churches at Homestead, Akron, Toledo, East Chicago; also in the Japanese Mission at San Francisco, and in the Jewish Missions in Brooklyn and Philadelphia. English-speaking Missions at Chicago, Kansas City, Gary and Detroit likewise have the services of Deaconesses. These workers are supported through our Board by the Woman's Missionary Society of General Synod, which organization is a valuable auxiliary to the work of Home Missions.

Daily Vacation Bible Schools are being maintained in a large number of the Missions. In some of them the enrollment taxed the capacity of the buildings. The Publication and Sunday-school Board has been coöperating in the support of these Vacation Bible School teachers.

The Board of Home Missions created two Commissions of fifteen members each, selected partly from the members of the Board and partly from the Church at large. These Commissions are (1) Evangelism; (2) Social Service and Rural Work. They have organized for an aggressive program of work. The

problems touched by these Commissions are among the most acute confronting the Christian Church in America today. The one Commission seeks to win souls for Christ out of the vast unchurched multitudes in this country; the other seeks to apply the principles of Christianity to the varied phases and relationships of human society and also to meet the problems which have developed in rural communities and intensify the life and develop the possibilities of the rural Church.

The three German Synods (Synod of the Northwest, Synod of the Southwest, and the Central Synod) have Mission Boards of their own which are doing commendable work in extending the cause of Christ within the bounds of those Synods. The work among the Indians at Black River Falls, Wisconsin, is carried forward by the Board of Missions under these Synods.

This many-sided and far-reaching work of the Church through its Board of Home Missions is the work of every member of the Reformed Church. In

its effort to finance the same the General Synod has laid an apportionment of eighty cents per member, which means a total amount of a little over \$250,000. It is imperative that the full amount should be realized in order to meet the pressing needs of the work.

The survey made by the Committee of the Forward Movement reveals actual needs in the home field aggregating \$2,383,200. This is needed for church buildings and parsonages alone. The survey also discloses the fact that the following workers will be needed during the five-year period of the Forward

Movement: 64 ministers, 8 laymen, 6 women, 32 deaconesses.

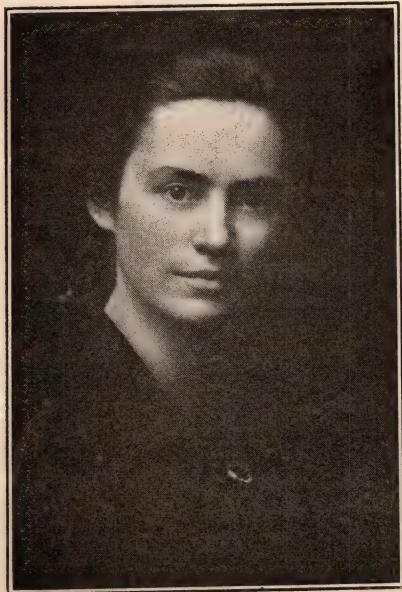

The task of Christianizing America has never been more difficult nor more imperative than today. Many counter-forces are at work which present almost insurmountable obstacles in this enterprise. But the need of Christianizing America has never been greater. Without a Christian America it is impossible to Christianize the world. We want to save America not for America's sake, but for the sake of the whole world.

FOREIGN MISSIONS

The Board of Foreign Missions is composed of fifteen members—eight ministers and seven elders. They are men of spiritual vision, of business acumen, and of loyal devotion to the best interests of the work of Missions.

Men of all ranks and stations in life have come to realize that the work of Foreign Missions, or the world-wide preaching of the Gospel of Jesus Christ, is the primary work of the Church and the object for which the Church exists.

Two missionary graves in three months on heathen soil! Surely this is food for serious thought. The untimely death of Miss Mary A. Vornholt, caused by a malignant form of diphtheria, after a brief service of only eighteen months in Japan, and the tragic killing of Rev. William A. Reimert, by a bandit soldier, after a faithful career of eighteen years in China, should be a solemn challenge to the young life of the Church. Where are the strong men and women to fill up our missionary ranks? The names of Vornholt and Reimert deserve a high place on the Honor Roll of the Reformed Church.

OUR NEW MISSIONARIES TO JAPAN AND CHINA

The annual Conference of the Board of Foreign Missions with the missionaries was held last July in the Theological Seminary Buildings at Lancaster, Pa. About 50 persons were present. At these gatherings the members of the Board and the missionaries come into heart to heart relationship, and they talk over in a most frank manner their many and perplexing problems. But one passion pervades all the addresses and discussions—the desire to reach the greatest number of souls with the message of salvation. There was but one voice at the close of this inspiring Conference, and that was that the Board could not do a wiser thing than to hold these Conferences with the missionaries, and the oftener, the better.

One of the great problems in the work of Foreign Missions is to get the people to know the work, to feel the needs, and to appreciate the vastness of the missionary enterprise. The Board is using various means and agencies to spread missionary information: Mission Study, The Outlook of Missions, Foreign Missions' Year Book, Foreign Missions' Conference Reports, Lantern Slides, Lectures, Missionary Hymnal, Maps and Leaflets.

The Board of Foreign Missions depends, to a large extent, upon the apportionment from the congregations for the maintenance of the Japan and China Missions. Support of special objects, such as missionaries, evangelists, Bible Women, and beneficiary students is always a great help to the Board.

GROUP OF MISSIONARIES AT LANCASTER CONFERENCE

Next Foreign Mission Day will be February 13, 1921. The hope of the Board is to place an Order of Service and an offering envelope into the hand of every man, woman and child in the Church.

It cost the Board of Foreign Missions from July 1, 1919, to June 30, 1920, approximately \$19,500 for the travel expenses of our missionaries to and from Japan and China.

New missionaries for Japan—Evangelistic Work: Rev. and Mrs. Israel G. Nace, Connellsburg, Pa.; Rev. and Mrs. W. Carl Nugent, Altoona, Pa.

New missionaries for China—Nurse: Miss Anna Katherine Zierdt, Wilkes-Barre, Pa. Teachers: Miss Ruth F. Snyder, Wooster, Ohio; Mr. and Mrs. T. Edmund Winter, Ft. Wayne, Ind.; Mr. Clarence E. Heffelfinger, Milton, Pa.

Chapel Funds for Japan and China are among the urgent needs of the Board of Foreign Missions. Members are invited to contribute funds of \$500 or \$1000 for many needy places. Will you not provide in your Will for a Chapel Fund in Japan and China? To living donors interest-bearing Annuity Bonds can be issued. Write to the Secretary of the Board.

In the national House of Representatives in Japan during the 30 years of its existence there have always been from 10 to 15 Christian men, and they have always been prominent. The first speaker, Mr. Nakajima, was a Christian baptized by Dr. J. P. Moore, of our Reformed Church.

REV. J. W. OWEN AND FAMILY
Missionaries, Yochow City, China

Since the year 1900 the Board of Foreign Missions has sent 72 missionaries to Japan and China. Of this number, 27 were lost to the work by resignation and death. There has been a net gain of 45 workers, or on an average of over two missionaries per year. While this may seem a commendable growth for our Church, yet it did not begin to supply the most urgent needs in our fields.

In 1910 the Board of Foreign Missions held the first Summer Missionary Conference at Mt. Gretna, Pa. The fact that in 1920 eight Conferences were held is the best proof that there was need for such Schools of Missions in our Church. With two exceptions, all of them are held at our literary institutions. They are under the direction of our Board of Foreign Missions and Board of Home Missions.

After a missionary career of 28 years, Rev. and Mrs. Henry K. Miller are now occupying their new home in Tokyo. The Board did wisely in providing a residence for its missionary in the capital city, where it is almost impossible to rent a house. Mr. Miller writes: "Ten years more, in God's Providence, will see the Tokyo work on a pretty solid basis."

The 9 new workers sent out in 1920 should prove a strong addition to our missionary force in Japan and China. A nobler band never went forth to spread the Gospel of Jesus Christ. Only the strongest men and women should offer their services to the Board. Able bodies, keen minds and big hearts are outstanding essentials. Of such the Church cannot raise up too many for our ever-growing work.

The Evangel of Jesus is for all the world. Confine it to one tribe, or tongue, or clime, and you kill it. Take it to India, China, and Japan; set it side by side with the teachings of the sages of these lands, and you will discover for your own souls a glow and a glory that will warm and illumine your heart. The lamp we hold out for others will shine more brightly for us.

PUBLICATION AND SUNDAY SCHOOL BOARD

Leading Sunday School Events of the Year

The past year was the largest Sunday School year in our history.

NEW LEADERS APPOINTED.

The necessity for personal help to the individual school has led to the appointment of the following persons:

Mr. G. W. Waidner, Superintendent of Adult Department and Circulation Manager of Sunday School Quarterlies.

Rev. S. Charles Hoover, Secretary of the Young People's Department.

Miss Catherine A. Miller, Assistant Secretary of the Young People's Department.

Mrs. Anna L. Miller, Field-worker, with special reference to the Intermediate and Senior Departments.

Mrs. Margaret L. String, Elementary Superintendent.

The above appointments were possible because of the gifts coming from the Forward Movement and the large Children's Day offerings of this year, reaching the high water mark of \$15,564.61.

A Director of Week-day Religious Education should be appointed as early as possible.

570 Teacher Training Classes were organized with 3938 students.

289 Adult Classes were reported in the Sunday School Forward Movement Survey.

The Sunday School enrollment of 332,387, although still a bit below par, showed an encouraging increase over last year.

Community Teacher Training Schools were reported in many places with our own denominational men in positions of leadership.

Two new Sunday School Missions were started in Indianapolis, Indiana, by the Director of Religious Education for Southwest and Interior Synods, Rev. W. H. Knierim. A stimulus was given all along the line of Sunday School and Young People's work in this territory. Large grants of literature were made to Missions and weak schools.

Daily Vacation Bible Schools

Daily Vacation Bible Schools were organized and supported under the joint direction of the Board of Home Missions and the Publication and Sunday School Board, by furnishing funds and teachers. The following are some of the interesting facts gleamed from this activity: Kannapolis, N. C.—74 pupils and 4 teachers; Wilkes-Barre, Pa.—94 pupils and 4 teachers; St. Andrew's, Phila.—106 pupils and 3 teachers; St. Paul's, Allentown, Pa.—150 pupils and 4 teachers; Indianapolis, Ind., 40 pupils and 2 teachers; Detroit, Mich.—150 pupils and 9 teachers; Chicago, Ill.—107 pupils and 6 teachers. Schools were also conducted in several of the Hungarian Missions.

Week Day Religious Education is making progress. Efforts along this line by our Sunday Schools are reported at Gary, Indiana; Williamsport, Norristown, Philadelphia, Pa.; Toledo, Ohio; New York and other places not yet reported. This field is rapidly opening up, and will consume a considerable portion of the time of the Director of Week Day Religious Education.

The Forward Movement Campaign for Home, School and Child will engage the attention of the Publication and Sunday School Board during the five-year period of the Special Forward Movement efforts in which the Church is engaged. Fundamental is the home, with a program of religious education growing out of the Church and supported by the Sunday School, which is the school of the Church.

The Home, the Sunday School, and the Child

The great thing in home religion is atmospheres for which the mother, as home-maker-in-chief, is mostly responsible. Every home has an atmosphere of its own not easily defined but readily felt. It is the spiritual ozone which unconsciously moulds the child life. It ought to be the ambition of parents not to be satisfied with a home of comfort and refinement, but one with a distinctly Christian atmosphere as well. Some one speaks of "unconscious tuition" in the home.

This indirect influence proceeds from books, pictures, music and especially the behavior of the parents themselves. If children are to honor their parents the parents must learn to honor each other. If the children are to acquire gentleness and reverence, the parents must have regard to the tone of their conversation. If children are to be interested in the Bible, the parents must give them the start. If they are to be interested in the affairs of the Kingdom, read the Church paper and get them to read it.

How can the Sunday School help you in your home? It can first, by having the parents in the Sunday School, by having the little ones in the home on the Cradle Roll and in the Beginners' or Primary Class. If you cannot attend Sunday School it can help you through the Home Department.

The Sunday School library is a wonderful help. Do you have one in your school?

ZWINGLI BIBLE CLASS, FIRST CHURCH, MCKEESPORT, PA.
Rev. Paul B. Rupp, Pastor

The Sunday School can help you by its Sunday School papers and its system of Bible study which provides for daily Bible reading in the home. Many a Sunday School has a Parents' Class. If you wish to rear your children to a noble and useful and successful life, see that the Sunday School helps you in the home.

Jesus places a little child in the midst in the home. Do you realize that that little one is being educated and has perfect confidence in you? The young life is open for restraint to the touch of the parents' personality. Here is that perfect faith and that pure love which invites the moulding influence of those in whose care the little one is placed.

The home affords the opportunity for the expression of the higher law of service. The child, in association with parents and brothers and sisters, learns to think of others and to do for others. It is the spirit of real altruism which makes for the production of noblest character.

Give a child something to do for others in your home.

LOVE AT HOME

There is beauty all around,
When there's love at home;
There is joy in every sound
When there's love at home.
Peace and plenty there abide,
Smiling sweet on every side,
Time doth softly, sweetly glide,
When there's love at home.

Kindly heaven smiles above,
When there's love at home;
All the earth is filled with love,
When there's love at home.
Sweeter sings the brooklet by,
Brighter beams the azure sky;
O there's One Who smiles on high
When there's love at home.

Jesus, make me wholly Thine,
Then there's love at home;
May Thy sacrifice be mine,
Then there's love at home.
Safely from all harm I'll rest,
With no sinful care distressed,
Through Thy tender mercy blessed;
Then there's love at home.

THE YOUNG PEOPLE'S DEPARTMENT

The very fact that our Reformed Church has always laid peculiar stress upon educational processes and programs is an indication of the importance that has been attached to the Christian culture and careful training of our youth.

But it has been felt for a number of years that more definite provision should be made to meet the growing needs of our young people and to give more careful consideration to their field of constantly enlarging interests. The creation of a special department charged with the responsibility of dealing with the whole range of young people's activities is now accomplished. This department is addressing itself to the formulation of a program through which it may perform a helpful ministry of service to the young people of the Church. The new Secretary of this department, as announced elsewhere, is the Rev. S. Charles Hoover, who has already given himself to this work with characteristic energy.

Rise up, young people, rise!
The Church for you doth wait,
Her strength unequal to her task;
Rise up, and make her great!

CENTRAL PUBLISHING HOUSE

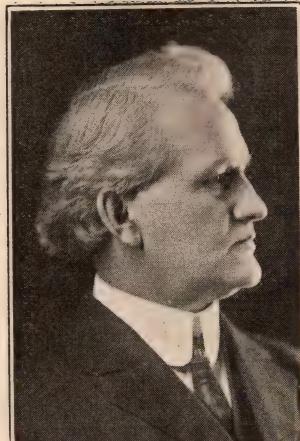

The Almanac and Year Book is glad to present the pictures of several of the faithful servants of the Church who have contributed so much to the success of the Central Publishing House. "Rev. August Becker was elected as Business Manager to succeed Dr. Reutenik. He had passed through a period of remarkable preparation. Yes, we may say, God trained him for this place." These are the words written in a brief summary of 30 years of service of the Rev. A. Becker as Manager of Central Publishing House. Chosen to the office in 1883, he ministered faithfully and with signal success until 1918, when the burden became too heavy and he urged that it be transferred to younger shoulders. But it was impossible to sever altogether the intimate relationship of 35 years of devoted service, so Father Becker, as he is affectionately known, was urged to continue in the capacity of Superintendent of Publication, and has rendered the institution invaluable services. Lack of space forbids even a brief resume of the accomplishments of these 37 years. Be it said that the growth of the Central Publishing House has been marked, and its work of vital importance to the Church. This

work has been recognized, and the Church prays that the days of this faithful man of God may be lengthened and that at last an abundant entrance may be vouchsafed him.

Mr. Peter Wetzel, who since boyhood days has been connected with the Central Publishing House, was elected Manager of the institution to succeed Rev. Mr. Becker in 1918. Born in the city of Cleveland, he began his business career with the Publishing House under Father Becker's supervision and direction. Later, for many years, he served as the competent bookkeeper, and five years ago was appointed Assistant Manager. The Board of Directors had no difficulty, therefore, in finding the one man for the place when Rev. Mr. Becker felt constrained on account of advancing years to turn over the burden and responsibility to another. Not only did the proven qualities of Mr. Wetzel as a business man commend him, but the spirit which he has brought to his task, together with his love for the Reformed Church and its interests, give promise of a successful administration in keeping with the policy and spirit of his predecessor.

PETER WETZEL
Manager

When Ohio Synod's Board of Publication decided to secure an Editor for the *Christian World* who would give full time to this important work, the choice fell unanimously upon the Rev. Henry S. Gekeler, D.D., of Akron, Ohio, and on January 1, 1920, succeeding Rev. Jesse H. String, who had ably carried on the

work in connection with his pastorate since the lamented death of Dr. Bomberger, Dr. Gekeler began his work in this capacity. Dr. Gekeler has been a successful pastor, loyal to all the interests of the Church, and bids fair to render great service in the editor's chair.

IN YOUR HOME

The influence of your home depends not so much on the richness of its furnishings, the works of art on its walls, and the carpets on its floors, as on the spirit or atmosphere of the home life. It is of the utmost importance to you and to your children that your home should have a hallowing influence. Therefore, it should be preeminently a *religious home* where the name of Christ is honored and where the spirit of Christ is exemplified. It should not be stiff, sedate, or cheerless, but full of laughter, merriment and music. The highest precepts of our holy religion ought not to be forced, like medicine, upon unwilling hearts, but ought to be lived in the happy and wholesome way which brings an increased regard for all holy things.

One of the best means of sanctifying home life is by the right use of religious literature. In every home the chief book should be the Word of God; not simply the family Bible, which nobody uses, but the *individual* Bible which the children are taught to love. Then, every good Church home should also have copies of the Hymnal, the Catechism, the Year Book, the

"Outlook of Missions," and other publications of the denomination which will serve to familiarize all the members of the family with the work of the Church of God. The weekly Church paper has proved itself a blessing in so many thousands of homes that its use needs to be urged only upon those who have not as yet learned this important truth. You can do good missionary work by telling others the value and benefit of the Church paper in the family circle. At the trifling cost of four or five cents a week, even in these days of H. C. L., it is possible to have in the home a journal which gives in detail the important events transpiring throughout our own denomination and the entire Kingdom of God, and is filled with inspirational articles which give a clearer vision of the duties and opportunities of the Christian life. One of the important actions of our recent General Synod was the establishment of "Church Paper Day," which is to be observed every year on the first Sunday of December.

Many parents have learned the art of interesting their children in the reading of the Church paper.

In order to do this, of course, it is necessary that they should first be interested themselves. It is a great service to mankind to rear a generation of young people who are interested in the things of God through the reading of religious literature; and it was never more important in the history of our country than it is today to stimulate this interest in our youth.

The ALMANAC AND YEAR BOOK is published jointly by the Publication and Sunday School Board of General Synod, and the Central Publishing House. The former publishes, also, our oldest Church paper,

The Reformed Church Messenger, which is the official organ of the Eastern, Pittsburgh and Potomac Synods; the latter publishes *The Christian World*, which is the official organ of the Ohio Synod. *The Reformed Church Messenger* is edited by the Rev. Dr. Paul S. Leinbach, Editor-in-Chief; the Rev. A. S. Bromer, Associate Editor; and the Rev. Dr. C. J. Musser, Editor Emeritus. *The Christian World* is edited by the Rev. Dr. H. S. Gekeler. One or both of these papers should be welcomed in every home of the Church.

BOARD OF MINISTERIAL RELIEF

These are great days in our Reformed Church. Wonderful things are being done. One of the finest during the past year was the union of the Society for the Relief of Aged Ministers and their Widows and General Synod's Board of Relief. February 10, 1920, at Harrisburg, Pa., the officers of both organizations met and effected the union so long desired. Nine members of the Board of Relief and the six officers of the Society constitute the new Board. An office has been opened in the Reformed Church Building, Philadelphia, with Rev. Dr. J. W. Meminger as Field Secretary, and Rev. Eugene L. McLean as Treasurer. The work will now be pressed with new vigor. Every minister in the Reformed Church knows that he will be cared for when no longer able to preach by either the Relief or Sustentation Department. We now have 34 ministers and 106 widows on the roll of the Relief Department, to whom has been granted the sum of \$21,000. We are raising \$1,000,000 to endow the Sustentation Department and \$200,000 for the further endowment of the Relief Department.

CONFIRMATION CLASS, BETHANY ORPHANS' HOME

As the child Moses was entrusted to his mother to be protected and fitted for the court of Egypt, so the children in the picture were given to the Church, the Mother of us all, to be prepared for the court of heaven and the service of the King. Bethany was

the Home in which you helped to care for them and get them ready to confess the Lord in confirmation.

You are glad you did this and will do it for others who will need your help in Bethany during Nineteen Twenty-one.

Thereby you will minister unto Him.

Two important events bearing upon the future development of St. Paul's Orphans' Home occurred during the year 1920. The first was the reopening of the Boys' Cottage after being closed for a year to be remodeled and enlarged. As it now is, this cottage contains five commodious bedrooms, an infirmary, three rooms for attendants, a shop, a play room, a library, toilets, bath rooms including shower baths, and a small gymnasium. It will furnish accommodations for 45 boys with plenty of room, good ventilation, and enough heat furnished from the central heating plant. The reopening of this cottage is important because it increases the capacity of the Home to about 125, and gives the boys almost ideal living conditions.

The second event was the giving of an endowment fund to the Home of \$40,000 by Mr. Daniel L. Dillinger, the income of which is to be used to pay the salary of the superintendent and other administrative expenses. This is important because it is the beginning of an endowment fund which when completed will enable the management to use all the Christmas offerings to furnish the necessities of life to homeless children.

At the last annual meeting of the Board of Directors, Rev. A. M. Keifer, Superintendent, was appointed Financial Secretary. Hereafter all contributions and other funds are to be sent to him.

GIRLS' BUILDING, NAZARETH ORPHANS' HOME

We do not have our new girls' building yet. Our Board of Managers saw fit to postpone the raising of funds for this purpose until after the campaign of the Forward Movement. The accompanying picture shows the necessity of a new building for our girls. The price of labor and building materials has advanced to such an extent that the amount required for the erection of this building is at least \$50,000.00. All friends of the orphans, we trust, will remember Nazareth at this time of great need. During the year we had to deny admission to quite a number of girls and boys on account of the lack of room. Will the Church not rally to her duty of providing

funds for this worthy object? We are thankful for all that the Church has done for Nazareth in the past, but we know also that she will provide in the future for all the wants of the Home.

While it is not a small thing to erect the necessary and adequate buildings for properly housing the children with comfort, convenience and adaptability, our still higher aim is to lay the foundations of building pure and noble characters in the lives of our boys and girls at Nazareth. We are confident that God will lead and inspire His people to provide for the needs of Nazareth Orphans' Home.

THE FAMILY, HOFFMAN ORPHANAGE

The last year was the most progressive and prosperous in the history of Hoffman Orphanage; also the most strenuous. Without a cook and a utility man, a terrible handicap was put on our work. It was a year of expansion though very much hindered because of the scarcity of carpenters, bricklayers and masons. At times it was difficult to get the necessary materials. The buildings are all under roof, but the date of dedication is very uncertain. The first that will be completed is Emmanuel Cottage for the larger girls, some of whom you will see in the accompanying picture. The next to be finished is the Maryland Classis School house, then work will be concentrated on the Zion Classis Cottage for younger boys and girls. In connection with all this we are installing a sewage disposal plant at an approximate cost of \$5000.00.

Our plan of expansion also provides for a central heating plant, consisting of a large two-story brick building with reinforced floors and roof. This building will accommodate an enlarged electric plant, three steam boilers of different sizes, and an industrial department for the benefit of the boys. Gettysburg Classis has assumed the cost of the building, \$15 000.00, thus leaving the boilers, fittings, conduits, etc., for the remaining portion of Potomac to finance.

At this writing 36 children are under our care, but the number that have been denied admittance is ninety-six (96). Recently we admitted three from Carlisle Classis and one from Maryland Classis. As soon as the new buildings are finished and furnished many of the ninety-six now waiting will be admitted. Our greatest need is consecrated help, a cook, utility man and wife. Will you come and help us?

Other institutions report many cases of influenza—we never had a case. The health of the Home has been remarkably good, the support given by the Church has been larger than ever, bequests larger and more numerous, and the usefulness of the home more appreciated—all of which is due to the loving kindness of our HEAVENLY FATHER.

THE SCHOOLS OF THE CHURCH

We have a proper pride in the educational institutions of the Reformed Church. Our Seminaries, Colleges and Academies stand not only for the higher education, but for the highest. They aim to prepare young men and women for service, by training the feelings and the will no less than the intellect. Faithful and painstaking in their work, they are manned by some of the choicest spirits in our own and other denominations, who recognize the primary importance of good character and aim to provide the most wholesome atmosphere and inspiring ideals for the youth from our homes. Practically and soundly religious in temper, these institutions are genuinely unsectarian. They believe in putting "first things first." How much better to entrust your boy or girl to one of our own schools than to an institution of which you cannot be sure! Let us thank God for the splendid work done by our consecrated educational leaders; let us remember these institutions in our prayers, our gifts, our wills; let us show our appreciation of the records of devotion made by the beloved teachers of our Church; and let us aid in recruiting students, especially such as will dedicate themselves to the higher ministries of usefulness among men.

"FORDING" CHRISTMAS PACKAGES
FORT WAYNE ORPHANS' HOME

During the past year 126 children have been cared for. The health of the children has been exceptionally good, the services of a physician not being necessary. The schooling of the children has been of unusual benefit, the term being 10 months. The curriculum was a combination of academic studies and manual training, somewhat after the plan of the Gary system. Four children graduated, taking the examinations of the county public schools and receiving diplomas. Religious instruction included a special course in the Heidelberg Catechism, and at Pentecost nine were confirmed. Many useful and happy hours were also spent in nature studies. In spite of the fact that the

orphan family was never quite so large and the prices of commodities are excessively high, the kind Father in Heaven, through His children, supplied the real needs of the orphans so that they suffered in nothing. The Christmas offerings were never so large. Some greatly-needed playground apparatus was purchased. Added interest in the missionary activities of the Church has been engendered because one who has been in the Home for years goes to the foreign field. A new heating system cost \$3500. The greatest need now is a new cottage for the youngest children, and a larger endowment for this excellent Home.

FAIRVIEW PARK HOSPITAL, CLEVELAND, OHIO
Rev. F. H. Diehm, Superintendent

FAIRVIEW PARK HOSPITAL

Cleveland, Ohio

Fairview Park Hospital is an institution of the Reformed Church, conducted under the auspices of the "Society for the Care of the Sick and Needy," which was organized July 31, 1892, with a membership of 63. Membership in this society is open to any person who is a member of the Reformed Church, upon the payment of \$1 or more.

In the beginning, the hospital was conducted as a Deaconess Home and Hospital, and did splendid work. However, the lack of Deaconesses and the ever-increasing demand for trained workers necessitated the starting of a Training School for Nurses. This School is recognized by the State Medical Board of Ohio and offers a course in training equal to the best. We especially invite young women of our Reformed Church desiring a course in nurses' training to enter this School.

The work was blessed of God from the beginning and grew visibly from day to day. From 15 patients in 1894, the number grew to 1877 in 1919. Receipts in 1894, \$903; in 1919, \$71,643.30. Property value about \$250,000. The need of the hour is more room and more nurses.

It would be difficult to mention the names of all who served in official capacities, for their number is large. The name most closely identified with the history of the first 12 years is that of the Rev. J. H. C.

Roentgen, D.D., at that time pastor of the First Church and the first Superintendent of the institution. The following served the hospital as superintendents: The Revs. J. H. C. Roentgen, D.D., J. S. Kosower, F. William Leich, Wm. Miller, and F. H. Diehm.

PHOEBE DEACONESS HOME

Allentown, Pa.

Rev. F. H. Moyer, Superintendent

There is a rapidly growing demand for deaconesses in the Reformed Church. Today pastors and congregations keenly feel the need for far more intensive Church work than ever before. This need can be successfully met only by workers trained to assist overburdened pastors in the various activities of their parishes.

Women, predominating in the Church and intensely interested in her welfare, are naturally adapted for much of the work of a modern parish.

The present needs of the Church are a challenge to her noblest and most gifted women to devote their lives to the deaconess calling.

The Deaconess Training School offers a three-year course of instruction designed to prepare deaconesses for the work of religious education, for practical nursing, and for parish work.

To meet present needs there should be larger enrollment of students.

For detailed information address the Superintendent.

**SCHOOL FOR CHRISTIAN WORKERS OF THE
PRESBYTERIAN AND REFORMED CHURCHES**

Philadelphia, Pa.

Rev. Walter H. Waygood, Superintendent

The Reformed Church has had a part in the support and management of this school from the time of its incorporation in 1909. Its aim is to train young women for all kinds of Christian activity. It provides not only a carefully planned course of instruction under able and experienced teachers but provision is also made for practical experience in parish, mission and community work. It offers a two-years' course of study and is situated in the central part of the city in a beautiful and well equipped building. The home life of the school is so directed as to surround the students with an atmosphere as nearly ideal as possible for their spiritual growth. Intelligent, consecrated young women can find here a preparation for a life-work of soul winning for the Master, and the fields are calling for just such service now.

Every Church in our denomination should have at least one woman on the official board of the school to act as a link between the Church and the school. Last year the women of our Churches in Philadelphia

showed an encouraging increase in interest both in the number of new representatives secured and in their attendance at the monthly meetings. All work done toward the support and development of this school not only prepares young women to go out with the Gospel message after they have finished their training, but renders a service to the community through the work done by the students during their training. Inquiries for information can be addressed to the Superintendent, Rev. Walter H. Waygood, 1122 Spruce Street, Philadelphia, Pa.

The first quarterly offering of Zion's Church, Ashland, Pa., Rev. I. M. Schaeffer, D.D., for the Forward Movement was \$3000. The congregation anticipated the day with \$1000. At both the morning and evening services \$1000 approximately was laid on the altar.

Successful Harvest Home services were conducted in Conyngham, Pa., by the pastor, Rev. D. A. Brown, which were characterized by large attendance, large and beautiful display of flowers, fruit and vegetables, gratifying offering and cheering worship.

Since the Forward Movement was inaugurated, Trinity Church, Akron, Ohio, Rev. George Longaker, does more for others than for herself. The annual budget for the 739 members totals over \$18,000. is 400; Sunday School enrollment 306, which includes a Cradle Roll of 63 and 74 confirmed young people.

Rev. Clarence Woods returned from Europe August 1, 1919, where he was engaged with the U. S. Army. The Centenary Church, Winchester, Va., of which he is pastor, on October 24 dedicated a new addition to the Sunday School room which contains 12 classrooms, a gymnasium and social room.

Zion Church, Indianapolis, Ind., Rev. W. K. Lahr, paid the last \$1000 of indebtedness on its property during the year. The last mortgage was burned the first Sunday in October.

Rev. D. B. Shuey, D.D., Galion, Ohio, resigned as pastor of the Peace-Emanuel Charge, October 1. In November, 1919, Dr. Shuey completed and published a second edition of "The History of the Shuey Family in America, 1732 to 1919." The index contains the names of 2234 adult persons, descendants of Daniel Shuey, a French Huguenot member of the Reformed Church.

Elder Jacob Youngen celebrated the 50th anniversary in October, as organist of Zion's Church, Ragersville, Ohio, Rev. H. F. Limbacher. The pastor's salary was increased \$500, ten members were received by confirmation, six by letter, and seven by reprofession.

"Reformed Day" was celebrated in Sioux City, Iowa, Rev. Ralph J. Harrity, on September 5. Two former ministers were back to take part in the services: Rev. T. F. Stauffer (1898-1908), and Rev. H. L. Krause (1911-1918). Both preached. A brief history of the mission was prepared and pictures of all the pastors who served the church were posted in the auditorium in group form. A reception was given Monday evening at which time freedom from debt was signalized.

The 10th anniversary of the pastorate of Rev. Atvill Conner at St. Luke's, Baltimore, Md., was observed September 5. Rev. Charles E. Schaeffer, D.D., delivered the anniversary sermon.

Renoll, Ph.D., the pastors of the two congregations, respectively.

Ganges Church, Ohio Synod, Rev. Will S. Fisher, was dedicated August 29, just two years after the former building was destroyed by lightning. Rev. Charles E. Miller, D.D., delivered the principal address.

Apart from the Forward Movement, a notable work in the Thurmont, Md., Charge, Rev. P. E. Heimer, Ph.D., was the purchase and dedication of a five-acre park by the Mt. Tabor Church and the erection of a large pavilion on it which was dedicated August 29. This serves as a community center for social and religious purposes.

Rev. H. S. Nicholson closed his work at Grove City, Pa., on August 31 and entered upon his new pastorate at Larimer, Pa., September 1. His installation took place September 10.

Frieden's Union Church, Shartlesville, Pa., Lebanon Classis, celebrated the 50th anniversary of the building of their church. Rev. R. S. Appel is the Reformed pastor. The Reformed Church started with a membership of 50 and now numbers 80. The Sunday School, outside of Reading, is one of the best in the community.

On August 15, St. John's Church, Holgate, Ohio, Rev. J. H. Poetter, celebrated the 60th anniversary of its organization. The first church building was erected in 1861, the present building in 1888. This was thoroughly remodeled and enlarged in 1913.

WHEN YOU HAVE MUSIC PROBLEMS, CONSULT US

The Music Department of our Board is a department of helpfulness—it was organized for this purpose—and hundreds of our Churches will testify to the fact that it has been of real assistance in many ways.

WE PUBLISH excellent material for use in all departments of Church activities and our publications are held in high esteem by ministers and other workers in all denominations. We feel our own publications will more than please you.

But in addition, we fill orders for everything published by others, and always at publishers' rates.

THEOLOGICAL SEMINARY

OF THE REFORMED CHURCH IN THE UNITED STATES

Founded at Carlisle, March, 1825

LANCASTER, PENNA.

This School of Theology, the oldest educational institution of the Reformed Church, is conducted under the direction of three English Synods: The Eastern Synod, the Pittsburgh Synod, and the Synod of the Potomac.

Its financial affairs are managed by a Board of Trustees, consisting of eighteen laymen. Instruction and discipline are subject to the authority of a Board of Visitors, consisting of twelve ministers. The Visitors and Trustees are chosen from the ministers and laymen of the three Synods.

The Course of Instruction embraces three years and includes all the branches of a complete education for the Christian ministry.

A fine Dormitory and Refectory were recently added to the equipment, in which room and board may be had at reasonable rates.

The Seminary year begins on the second Thursday of September.

The Crowning Beauty of. The Church

Throughout the ages, from the remote past until the present day, history shows that Art Glass Windows have been considered a highly desirable and important part of church and cathedral decoration. Furthermore, it may be said without contradiction that the whole aspect and interior of any religious edifice is largely contingent upon the character of its windows.

With this thought in mind, we have prepared a valuable little brochure entitled "The Crowning Beauty of the Church," which discusses the subject in a very comprehensive way. Rather than a mere catalog of designs, it illustrates fragments of celebrated windows found in some of the old cathedrals of France and England, together with modern Art Windows in which these designs, centuries old, have been used in edifices of our own building.

Anyone interested in beautiful churches, whether pastor, member of some building committee, architect or contractor, should possess a copy of this splendid treatise. It will be sent to you free for the asking, without any obligation whatever. Merely mention "The Almanac and Year Book of the Reformed Church."

Our Bible Story Books

FOR HOME, SUNDAY SCHOOL AND CATECHETICAL CLASSES

Bible Stories, Book I.

ARRANGED IN 56 LESSONS ACCORDING TO THE CHURCH CALENDAR. Large 12mo. 200 pages. With illustrations.

Arrangement and plan of book: first, a short and clear statement of the Bible narrative, then a Golden Text, or central passage, followed by questions covering the lesson. In this way such Old Testament questions as the following are taken up: The creation, fall, deluge, tower of Babel, Abraham, Joseph, Moses, Canaan, David, the Kingdoms of Israel and Judah, the Babylonian captivity and the return; the annunciation and birth of Jesus, public ministry of our Lord, suffering and death of Christ, Pentecost, spreading of the gospel by the apostles and many others.

This book is so complete and excellent in the field covered that we would wish it might be used in all Bible Schools in the Reformed Church, in order to ground our young people thoroughly in a solid basis of Bible knowledge. It is a lamentable fact that with all the pretense of the study of literature these days in our schools and colleges, the Bible is about the least thoroughly known of all the classics.

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' uninterrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3 pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

No. 0 celluloid pin color blue and white, 1 cent each.

No. 2 gunmetal finished pin, blue enameled cross, white ribbon, red background, 15 cents each.

No. 6 solid gold hand engraved pin red cross, 6 blue ribbon, white background, enameled, 85 cents each.

No. 3 silver plated pin, red enameled cross, white ribbon, blue background, 20 cents each.
